SHOREHAM ACADEMY

DRESS CODE

All our students are expected to follow the dress code. We consider our requirements to be reasonable and therefore we do expect parental support. Students who arrive at academy in unacceptable clothing may be sent home to change.

[If you have difficulty in providing your child with school uniform, clothing grants are available depending upon your income. Applications for assistance may be made through the academy.

The following are our requirements:

Years 7, 8 and 9

Girls and Boys

- Navy blue blazer with pale blue piping and school logo (boy and girl styles available from the academy)
- Pale blue school shirt
- Academy tie in house colours (available from the academy)
- Black school shoes

Girls choose: navy blue school skirt or navy blue school trousers

Boys: navy blue school trousers

Years 10 and 11

Girls and boys

- Navy blue blazer with pale blue piping and school logo (boy and girl styles available from the academy)
- White school shirt
- Academy tie in house colours (available from the academy)
- Black school shoes

Girls choose: navy blue school skirt or navy blue school trousers

Boys: navy blue school trousers

Students must not wear fashion items to school.

PE Kit (all year groups)

- Navy blue sports polo shirt in house colours (available from the academy)
- Navy blue microfibre shorts
- Navy blue tracksuit bottoms with sky blue piping (available from the academy)
- Navy blue sports shirt with sky blue piping (available from the academy)

Jewellery

In the interests of safety, jewellery, if worn, should be minimal. We cannot accept any responsibility for its loss or for its safekeeping. **NO** hooped earrings larger than a 10 pence piece should be worn. Other facial piercings are **NOT** permitted.

Essential Equipment

We expect our students to arrive at academy equipped to undertake their study. Each student requires:

- a pen, lead pencils, coloured pencils, ruler and rubber.
- a protractor, compass and calculator
- a 'pocket' English dictionary
- a bag for books and equipment

Calculators

Since all students are encouraged to use a calculator when appropriate on their Maths lessons, it would be helpful if they could have their own and become familiar with it, since all calculators do not operate in the same way. Many students will need a scientific calculator (models with the trigonometric functions would be adequate) for use both in their GCSE work in Years 10 and 11 and also in their final examinations. Calculators can be bought from the Maths Department.

Dictionaries

Modern Languages Dictionaries can be bought at a discount from the MFL Department.

All items of clothing and equipment should be clearly marked with the student's name to help avoid loss.
