# Cup Coin Rewards!

- Reward system for year 7s
- Students can be rewarded Tokens for debates, writing tasks, reading, whole class discussions, presentation of work and many more
- Teachers and Mentors will be rewarding students with multi-coloured tokens for excellent work.
- The tokens will be put in cylinders by the students in the new build – one cylinder for each school.
- The school with the most tokens at the end of the year will win Kingston cup points!! (these will be emptied each half term)

# New Reward Systems

- **Staff gratitude postcards** (Which are Purple) – This is a postcard which will be filled out by students in mentor time once a week (on a Monday).
- The students will choose one member of staff to say thank you too. This could be for helping them with work in lesson, being that member of staff they can talk too, or a TA or pastoral member of staff that has been helpful to their progression in school etc.
- Mentors will hand these postcards out in mentor time and can be located in the staff room near green slips and golden tickets.

# New Reward Systems

- **Student gratitude postcards** (Which are orange) – This is a postcard which will be filled out by staff in mentor time once a week at the same time as students fill their ones out (on a Monday).
- The staff will choose at least one student to praise (it doesn't have to be someone in their mentor group) This could be for helping them with carrying books, an excellent piece of work, or going above and beyond in lesson etc.
- Mentors will complete these postcards in mentor time and can be located in the staff room near green slips and golden tickets.

# New Reward Systems

---

**Big push this year on rewards and student gratitude.**

Other systems being put into place:

- **Gratitude mentor messages** – Quotes gathered from mentors, teachers, SLT and admin staff about student gratitude to be added into the mentor messages each week.
- **Gratitude bell** – Publicly expressing thanks to students or staff using a bell – to start with using louder/bubbly staff members to announce at break or lunch occasionally (once every few weeks/half term) the idea is to use the bell to thank students or staff members for going above and beyond so it becomes the norm.
