Academy	Shoreham Academy Sixth Form	Allocated funding	£17,214
Number on roll (total)	258	Allocated Spending	£19,270
Supporting students in 2022 / 2023			
<p>The 16 to 19 tuition fund funding for the 2022 to 20223 academic year was £17,214 and third year we have received this funding. It is ring fenced funding for schools, colleges and all other 16 to 19 providers to mitigate the disruption to learning arising from coronavirus (COVID-19)</p>			
<p>Shoreham Academy Sixth Form continued to commit to using the small group and individual tuition funding that it has been given to mitigate against the impact of the pandemic on our study programme students. Sessions are mostly limited three to five students per group and will be above and beyond normal timetabled hours. There have been some sessions with up to 8 students and some more bespoke individual Students will be prioritised for small group tuition based on the guidance released by the Education and Skills Funding Agency (ESFA).</p>			
Students session will be prioritised for the following students			
<ul style="list-style-type: none"> • Those with an Education, Health and Care (EHC) Plan • Those who have a grade 4 or below in GCSE Maths and/or English • Level 2 students and some level 3 students on vocational courses who have experienced disrupted learning • Those with special educational needs and disabilities, particularly where they have experienced additional disruption to learning as a result of their specific needs and disabilities. 			

- Students from the 27% most economically deprived areas of the country (based on the index of multiple deprivation) and would need catch-up support.
- students who are economically disadvantaged who meet the 16 to 19 Bursary Fund eligibility criteria and would need catch-up support to reach their full potential.
